

**I N D E X**

NAME: Muhammed Naiveed Khan M.J. ROLL NO.: 200

STD.: 1SE DIV/SEC.: D SUBJECT: Computer Networks.

S. No.	Date	Title	Page No.	Teacher's Sign/Remarks
1.	17/12/25	Study of various Network Command used in Linux and Windows.	1	<del>✓</del>
2.	18/12/25	study the different types of Network tables.	8	<del>✓</del>
3.	20/12/25	study Packet tracer tool installation and User Interference Overview	14	<del>✓</del>
4.	11/19/25	Setup and Configure a LAN using a switch & Ethernet cables in your lab	17	<del>✓</del>
5.	12/19/25	Experimental on Packet capture tool : wireshark		<del>✓</del>
6.	18/19/25	Hamming code		<del>✓</del>
7.	19/19/25	sliding windows protocol.		<del>✓</del>
8.	19/19/25	To discover live host using Nmap Scan (ARP, ICMP, TCP, UDP) on try Hack Me platforms		<del>✓</del>
9.	19/19/25	Implementation of subnetting In Cisco packet tracer simulator		<del>✓</del>

S. No.	Date	Title	Page No.	Teacher's Sign/Remarks
10.	25/9/25	END-END communication at transport layer TCP/UDP	8	9 ✓
11.	26/9/25	Implement your own ping program	9	9 ✓
12.	9/10/25	Implementing packet sniffing using raw sockets	9	9 ✓
13a.	13/10/25	Internet working with routers in Cisco Packet Tracer.	10	9 ✓
13b.	13/10/25	Internet work with switches routers.		
14a.	13/10/25	static routing configuration using CISCO packet tracer.	10	9 ✓
14b	13/10/25	Simulation of RIP using CISCO packet tracer.		
Completed 13/10/25
